RE: PRINCE EDWARD DISTRICT WI ART & CRAFT SALE

With regards to last week's article "End of Era, PEDWI Art & Craft Sale, the PEDWI president Kim de Bruin would like to make the following statement:

Any Art & Craft Sale including the "Picton Art & Craft Sale " which may be created by an individual WI branch in conjunction with another community group or on their own has no affiliation with the event known as the PEDWI Art & Craft Sale nor have the PEDWI given permission to any group to use any of the PEDWI Art & Craft Sale property due to privacy issues.

We do wish our WI branches or anyone who chooses to take on a worthy event such as their own Art & Craft Sale all the best in their endeavours.

Kim de Bruin
President of
PEDWI
